FOR IMMEDIATE RELEASE
April 19, 2010

Need Diet Help? Try New, Patented **vitamingum™**, Nutrient-Enhanced Chewing Gum

New **vitamingum™** COMPLETE Formula (raspberry lemonade) contains ANTIOXIDANT Vitamins A, C and E, B-Vitamins, Calcium and Vitamin D, plus Minerals to help dieter's fight off snack cravings. Whenever you get the urge to munch on unhealthy, fatty snacks ... munch on two pieces of **vitamingum** and give yourself some of the nutrients lost when calorie counting. **vitamingum** COMPLETE has a great lemonade flavor with a touch of raspberry. What a simple, easy way to add valuable nutrients into your diet. Chewing gum is a great delivery vehicle for nutritional ingredients, as it allows for faster absorption into the blood stream via the mucous lining in your mouth. **vitamingum** is the only patented, nutrient-enhanced chewing gum for added daily health and comes in two additional formulas/flavors:

TRACTION 50 (grape pomegranate): 50% RDV of Antioxidants, B-Vitamins and Vitamin D

DEFENSE (peppermint ice): EXTRA Vitamin C, Antioxidant Vitamins A and E, B-Vitamins, Calcium + Vitamin D

All **vitamingum** formulas are *sugar free* and do not promote tooth decay. **vitamingum** is designed to be chewed by people of all ages and packaged in convenient, go-anywhere, 12-piece blister packs to preserve freshness and potency. One **vitamingum** pack is equivalent to the nutritional value found in TWO, 20-oz. bottles of the leading nutrient-enhanced water beverages. Suggested retail is \$1.49 - \$1.79. Chew For Health™.

###

Vitaball, Inc. has been an innovator and developer of nutritional chewing gum for the past decade utilizing advanced gum technology (U.S. Patent #5,569,477) to give consumers a better way to gain valuable nutrients during a busy day of work, study or play. Made in the USA, **vitamingum** is currently distributed nationwide via mass retail locations (food, drug, mass merchants and convenience stores).
